Dear family and friends, we’d like your help in writing letters and cards of thanks for veterans traveling with Honor Flight DFW.

Honor Flight DFW is privileged to travel veterans to Washington DC so they may visit the memorials built in their honor. It is our mission to let the veterans know they are not forgotten and how much we appreciate their service. Letters from home are treasured memories that last a lifetime.

Mail Call happens on our flight home. Each veteran’s name is announced over the speaker and a package of letters, well wishes, and a small package of tissues is delivered to their seat.

We invite you to write a letter or send a card. Please place the veterans Real Name on the outside of the letter where it is easily identifiable. As you can imagine we have many Papas, Paw Paws Grandpas traveling with us.
